

# Need Floor Plans?

As well as EPCs, we can also create **floor plans for your brochures!**

- We draw the plan, on site at the same time as the EPC.
- We email you a link where you can check the final plan, change conflicting room names, add your own colour scheme, logo & more!
- Save the plans as you wish. You can choose the exact size of the final Images to match your templates, in JPEG, WMF or PNG.

## Everyone loves floor plans!

Impress potential vendors by including a floor plan in their brochure and on the web. Help buyers get a feel for the layout and cut down on wasted viewings. According to Rightmove, a property with a floor plan available is over 40% more likely to be clicked on than one without!
